

High precision X-ray measurements

Istituto Nazionale di Fisica Nucleare

Conference Organizer

A. Scordo, Laboratori Nazionali di Frascati, INFN, Italy

Main Topics

X-ray energy detectors
X-ray position detectors
Spectrometers
X-ray optics
Graphite based applications
X-ray imaging
X-rays in astrophysics
X-rays in nuclear physics
Cultural heritage applications of X-rays
Medical applications

Scientific Committee

A. Balerna, Laboratori Nazionali di Frascati, INFN, Italy
C. Curceanu, Laboratori Nazionali di Frascati, INFN, Italy
S. Dabagov, Laboratori Nazionali di Frascati, INFN, Italy
M. Lerch, Center for Medical Radiation Physics, Wollongong, Australia
A. Marcelli, Laboratori Nazionali di Frascati, INFN, Italy
A. B. Rozenfeld, Center for Medical Radiation Physics, Wollongong, Australia
J. Zmeskal, Stefan Meyer Institute, Vienna, Austria

Local Organizing Committee

M. Miliucci, Laboratori Nazionali di Frascati, INFN, Italy
A. Tamborrino Orsini (secretariat), Laboratori Nazionali di Frascati, INFN, Italy
