ART NOUVEAU from 14/04/2019 to 26/01/2020

With posters and paintings, sculptures, furniture and ceramics, this exhibition shines the spotlight on the extraordinary artistic and artisan flourish that overwhelmed and changed the decorative tastes of the early 19th century: Art Nouveau, an artistic movement which, refuting realism and scientific thought, preferred to pursue dreamlike, visionary worlds, highlighting the decorative elegance of soft, sinuous lines.
