

GWADW2019 - Gravitational-Wave Advanced Detector Workshop - From Advanced Interferometers to Third Generation Observatories

Monday, May 20, 2019

Mo AM 1: Science for 3G Multi-messenger - Sala Maria Luisa (9:00 AM - 10:30 AM)

-Conveners: Marica Branchesi

time	[id] title	presenter
9:00 AM	[70] Welcome	
9:15 AM	[13] Multimessenger astrophysics with neutron stars: looking ahead towards the 3G era	Dr CIOLFI, Riccardo
9:40 AM	[14] Multi-messenger observatories (Preliminary Title)	PATAT, Nando
10:05 AM	[15] Gravitational wave cosmology with large galaxy surveys	PALMESE, Antonella
