

Nuclear Structure and Dynamics - NSD 2019

Monday, 13 May 2019

Session I (09:30 - 11:00)

-Conveners: Giacomo De Angelis

| time | [id] title | presenter |
|-------|---|---------------------|
| 09:30 | [48] Coulomb Excitation of Pear-shaped Nuclei | Prof. BUTLER, Peter |
| 10:00 | [141] Recent studies of heavy ion transfer reactions using large solid angle magnetic spectrometers | SZILNER, Suzana |
| 10:30 | [81] Experimental studies of neutron-rich nuclei around N = 126 at KEK isotope separation system | Dr WATANABE, Yutaka |
