

# Nuclear Structure and Dynamics - NSD 2019

## Monday, 13 May 2019

### Session IV (17:00 - 18:30)

-Conveners: Fabiana Gramegna

time	[id] title	presenter
17:00	[1] Equilibration dynamics in nuclear reactions	Prof. UMAR, Sait
17:30	[11] Phase transition dynamics in hot nuclei and N/Z influence	Dr BORDERIE, Bernard
17:50	[23] Isospin influence on the Intermediate Mass Fragments production at low energy	Dr PIRRONE, Sara
18:10	[90] Comparative study of four reactions at onset of pre-equilibrium emission	CICERCHIA, Magda
