

"Astroparticle and Underground Experiments" at 11th ICATPP Conference

Thursday, 8 October 2009

"Astroparticle and Underground Experiments" Parallel 2b (16:30 - 18:10)

time	[id] title	presenter
16:30	[16] The AEgIS experiment (Antimatter Experiment: Gravity, Interferometry, Spectroscopy)	CANALI, Carlo
16:50	[21] EXO-200 and R&D prospects	AUGER, Martin
17:10	[17] The PICASSO experiment: status and results	KUMARATUNGA, Sujeewa
17:30	[25] Search for a possible spontaneous emission of muons from heavy nuclei	GIORGINI, Miriam
