

Lepton Interactions with Nucleons and Nuclei

June 23-29, 2019

<https://agenda.infn.it/e/elba2019>

Marciana Marina, Isola d'Elba, Italy

ORGANIZING COMMITTEE

Omar Benhar

INFN – Roma (Italy)

Luca Girlanda

Università del Salento / INFN - Lecce (Italy)

Laura Elisa Marcucci

Università di Pisa / INFN – Pisa (Italy)

Camillo Mariani

Physics Department, Virginia Tech

Saori Pastore

Washington University in St.Louis (USA)

Maria Piarulli

Washington University in St.Louis (USA)

Rocco Schiavilla

Jlab, Old Dominion University, Norfolk (USA)

The meeting is the 15th of a series started in 1988, meant to cover new developments in research areas ranging from nuclear astrophysics and neutrino physics, to hadron structure and dynamics, to the physics of nuclei at low and high energies.
