

# ELBA 2019 - Lepton Interactions with Nucleons and Nuclei

## Wednesday, 26 June 2019

### Gravitational waves, neutron star mergers and the neutron matter EOS (09:00 - 11:50)

-Conveners: Omar Benhar

time	[id] title	presenter
09:00	[21] Introductory talk on GW observation	DEL POZZO, Walter
09:40	[22] Prospective on the observation of continuous GW	LEACI, Paola
10:10	Coffee break	
10:40	[24] Ab initio studies of neutron-matter EoS: status and prospects	GANDOLFI, Stefano
11:10	[3] Exotic quarkonia from effective field theories of QCD	SOTO, Joan
