

4th European Advanced Accelerator Concepts Workshop

Wednesday, 18 September 2019

WG1 - Injection control - SML (18:00 - 19:00)

time	[id] title	presenter
18:00	[273] Dual energy electron beams from two independent injection events	DÖPP, Andreas KARSCH, Stefan
18:20	[54] Narrow energy spread electron beams from controlled injection	KIRCHEN, Manuel
18:40	[267] Narrow energy spread, GeV electron beams from shock injection in a laser wakefield accelerator	STREETER, Matthew
