

4th European Advanced Accelerator Concepts Workshop

giovedì 19 settembre 2019

WG1-WG6-WG8 Joint Session - Towards high energies and high qualities - SML (16:30 - 17:30)

time	[id] title	presenter
16:30	[168] Elimination of Hosing Instability Via Ion Motion in Plasma Wake Field Accelerator	AN, Weiming
16:50	[174] Ion motion and hosing suppression in plasma-based accelerators	BENEDETTI, Carlo
17:10	[210] Scalable laser-plasma acceleration using Traveling-Wave Electron Acceleration	DEBUS, Alexander
