

4th European Advanced Accelerator Concepts Workshop

Thursday, 19 September 2019

WG1 - Hybrid staging and future PWFA experiments - SML (18:00 - 19:30)

time	[id] title	presenter
18:00	[122] Demonstration of a millimeter-scale electron-beam driven plasma wakefield accelerator based on hybrid staging	HEINEMANN, Thomas
18:20	[172] Generation of a spectrally two-component electron beam in a laser-wakefield accelerator	BJÖRKLUND SVENSSON, Jonas
18:40	[223] Physics plans for AWAKE Run 2	MUGGLI, Patric
19:00	[337] E-310 Trojan Horse-II at FACET-II and the STFC PWFA-FEL programme	HIDDING, Bernhard
