

4th European Advanced Accelerator Concepts Workshop

Wednesday, 18 September 2019

WG3 - Thz acceleration - SB1 (18:00 - 19:00)

time	[id] title	presenter
18:00	[301] THz streaking of ultrashort electron bunches	FEURER, Thomas
18:20	[304] Acceleration of relativistic beams using laser-generated terahertz pulses	JAMISON, Steven
18:40	[315] Challenges and tolerances for a compact and hybrid ultrafast X-ray pulse source based on RF and THz technologies	VINATIER, Thomas
