

# 4th European Advanced Accelerator Concepts Workshop

## Wednesday, September 18, 2019

### WG3 - Thz acceleration - SB1 (6:00 PM - 7:00 PM)

time	[id] title	presenter
6:00 PM	[301] THz streaking of ultrashort electron bunches	FEURER, Thomas
6:20 PM	[304] Acceleration of relativistic beams using laser-generated terahertz pulses	JAMISON, Steven
6:40 PM	[315] Challenges and tolerances for a compact and hybrid ultrafast X-ray pulse source based on RF and THz technologies	VINATIER, Thomas
