

4th European Advanced Accelerator Concepts Workshop

Wednesday, 18 September 2019

WG2 - WG5 (Joint Session) - SBIO (16:00 - 17:30)

time	[id] title	presenter
16:00	[25] Optical probing of pre-plasma dynamics for laser ion acceleration	MÄUSEZAHL, Max
16:20	[71] Off-harmonic optical probing of high intensity laser interaction with cryogenic hydrogen jet target	BERNERT, Constantin
16:40	[231] Focusing of laser-accelerated proton beams with active plasma lens	BIN, Jianhui
17:00	[265] Simultaneous temporal resolved measurements of protons and fast electrons in TNSA experiments	BIESTO, Fabrizio Giuseppe
