

# 4th European Advanced Accelerator Concepts Workshop

## Thursday, 19 September 2019

### WG5 - Diagnostics - SB1 (16:00 - 17:30)

time	[id] title	presenter
16:00	[143] Development and characterisation of non-invasive diagnostics for plasma acceleration	BOHLEN, Simon
16:20	[148] Development of a Beam Profile Monitor based on Silicon Strip Sensors for Low-Charge Electron Beams at ARES	JASTER-MERZ, Sonja
16:40	[43] Coherent radiation studies for beam diagnostics and high-intensity THz sources at CLEAR	CURCIO, Alessandro
17:00	[118] X-band TDS simulations and commissioning	GONZALEZ, Pau
