

# SiPM workshop: from fundamental research to industrial applications

## Friday, 4 October 2019

### Medical applications - Centro Polifunzionale Studenti (09:00 - 10:40)

-Conveners: Nepomuk Otte

time	[id] title	presenter
09:00	[11] The SiPM revolution in time-domain diffuse optics	Prof. DALLA MORA, Alberto
09:40	[28] Experimental study of the time resolution of SiPM coupled to scintillator	CARNESECCHI, Francesca
10:00	[17] Large area SiPM and high-throughput electronics for next generation time-domain diffuse optics	DI SIENO, Laura
10:20	[18] A SiPM based novel approach to cytosolic calcium detection by bioluminescence	LOMAZZI, Samuela
