

SiPM workshop: from fundamental research to industrial applications

Friday, October 4, 2019

Medical applications - Centro Polifunzionale Studenti (9:00 AM - 10:40 AM)

-Conveners: Nepomuk Otte

time	[id] title	presenter
9:00 AM	[11] The SiPM revolution in time-domain diffuse optics	Prof. DALLA MORA, Alberto
9:40 AM	[28] Experimental study of the time resolution of SiPM coupled to scintillator	CARNESECCHI, Francesca
10:00 AM	[17] Large area SiPM and high-throughput electronics for next generation time-domain diffuse optics	DI SIENO, Laura
10:20 AM	[18] A SiPM based novel approach to cytosolic calcium detection by bioluminescence	LOMAZZI, Samuela
