

# International conference PUMA22 Probing the Universe with Multimessenger Astrophysics

## Monday, September 26, 2022

### Session 2 (2:30 PM - 6:20 PM)

-Conveners: Davide Ricci; Chiara Righi

time	[id] title	presenter
2:30 PM	[15] High-energy neutrinos and multi-messenger astronomy	DORNIC, Damien
3:30 PM	[20] Cosmology with the SKA observatory	CAMERA, Stefano
4:00 PM	Coffee break	
4:30 PM	[21] Active galactic nuclei	TAVECCHIO, Fabrizio
5:30 PM	[26] Prospects of SPES for the study of r processes	GOTTARDO, Andrea
6:00 PM	[27] The Moon: the new frontier for Gravitational Waves astrophysics with LGWA	BADARACCO, Francesca
