

# Welcome !

## Second LHCb Heavy Ion Workshop : Exploring Matter with Precision Charm and Beauty Production Measurements in Heavy Nuclei Collisions

Giulia Manca,  
University of Cagliari and INFN

4 September 2019

# Introduction

- Welcome to Chia!
- Informal workshop to mainly discuss LHCb in the heavy-ion community with theorists and other friendly experimentalists
- Relaxed atmosphere – lots of time to discuss (long lunch time break)
- Please keep all the information confidential if you are not LHCb member!!!

# The workshop

- 5 mins questions for each talk, just for urgent matters!
  - ➡ Most of the discussion meant to be at the end with all the speakers available => panel
  - ➡ Some talks out of context to accommodate several late arrivals/early departures, apologies for that
- Wi-Fi available in the hall.
  - ➡ Network: ospiti-chia
  - ➡ Username : 1867chia
  - ➡ Password. : Chialaguna1

# Practicalia

- Packed **lunch** will be provided at the end of each morning session, please take your bag and eat it wherever you like!
- **Breakfast** is served from 7h30-10h00 in Bougainvillea restaurant
- **Dinner** is served from 19h30 to 21h30 in the Bougainvillea restaurant (we will have a reserved area)
- Little **train** available for free to go to the **beach** during the breaks, from 8h30 until 19h30, leaving from the square every 15 minutes.
- Otherwise the **swimming pool** and the **fitness centre** are at your disposal all the time.

# The resort

# More...

- **Conference dinner** on Thursday
  - ➡ will be in the same restaurant (Bougainvillea) as regular dinners
  - ➡ If you are not staying at the conference hotel please let the staff know you are participating to the conference dinner !
  - ➡ No extra fee requested
- **Invoices:**
  - ➡ You will find your participation certificate in your folder. Please inform the hotel in advance if you need any particular intestation in the invoice of your room.
- **Transfer:**
  - ➡ Let us know if you need transportation to the airport so we can try to arrange multiple departures to reduce the costs (or find a ride)

# Even more...

- **Excursions** and other can be organised by the reception.  
A travel agency can provide cars if needed.
  - ➡ Pula (nice little village very lively) and Nora (ancient roman city) are only 10 minutes away by car
