

Second LHCb Heavy Ion Workshop : Exploring Matter with Precision Charm and Beauty Production Measurements in Heavy Nuclei Collisions

Wednesday, 4 September 2019

QGP and initial stage - Theory 1 (14:30 - 16:10)

-Conveners: Francois Arleo; François Arleo

time	[id] title	presenter
14:30	[5] Welcome	MASONI, Alberto
14:40	[6] Introduction to the workshop and practical information	MANCA, Giulia
14:45	[15] Theory overview of QGP	WOLSCHIN, Georg
15:15	[21] Forward particle production in proton-nucleus collisions as a probe of saturation	DUCLOUE, Bertrand
15:45	[23] Quarkonia theory	FERREIRO, Elena
