

Second LHCb Heavy Ion Workshop : Exploring Matter with Precision Charm and Beauty Production Measurements in Heavy Nuclei Collisions

Wednesday, 4 September 2019

Future projects and upgrades (16:25 - 18:20)

-Conveners: Benjamin Audurier

time	[id] title	presenter
16:25	[10] EDM and MDM measurements in LHCb: the SELDOM project	AIOLA, Salvatore
16:55	[11] Prospects for high-luminosity fixed target physics at the LHC	MASSACRIER, Laure MASSACRIER, laure
17:50	[9] LHCb fixed target results for cosmic ray physics: results and prospects	MARIANI, Saverio
