48%	31%	21%

Swiss Re benefits from both its business mix
and its balanced geographical diversification
for maintaining a profitable growth

The **Swiss Re Group** is a reinsurance company, founded in Zurich (Switzerland) in 1863. The Group operates on globally, with around 14,000 employees and a well diversified risk portfolio.

Swiss Re is organized in three Business Units:

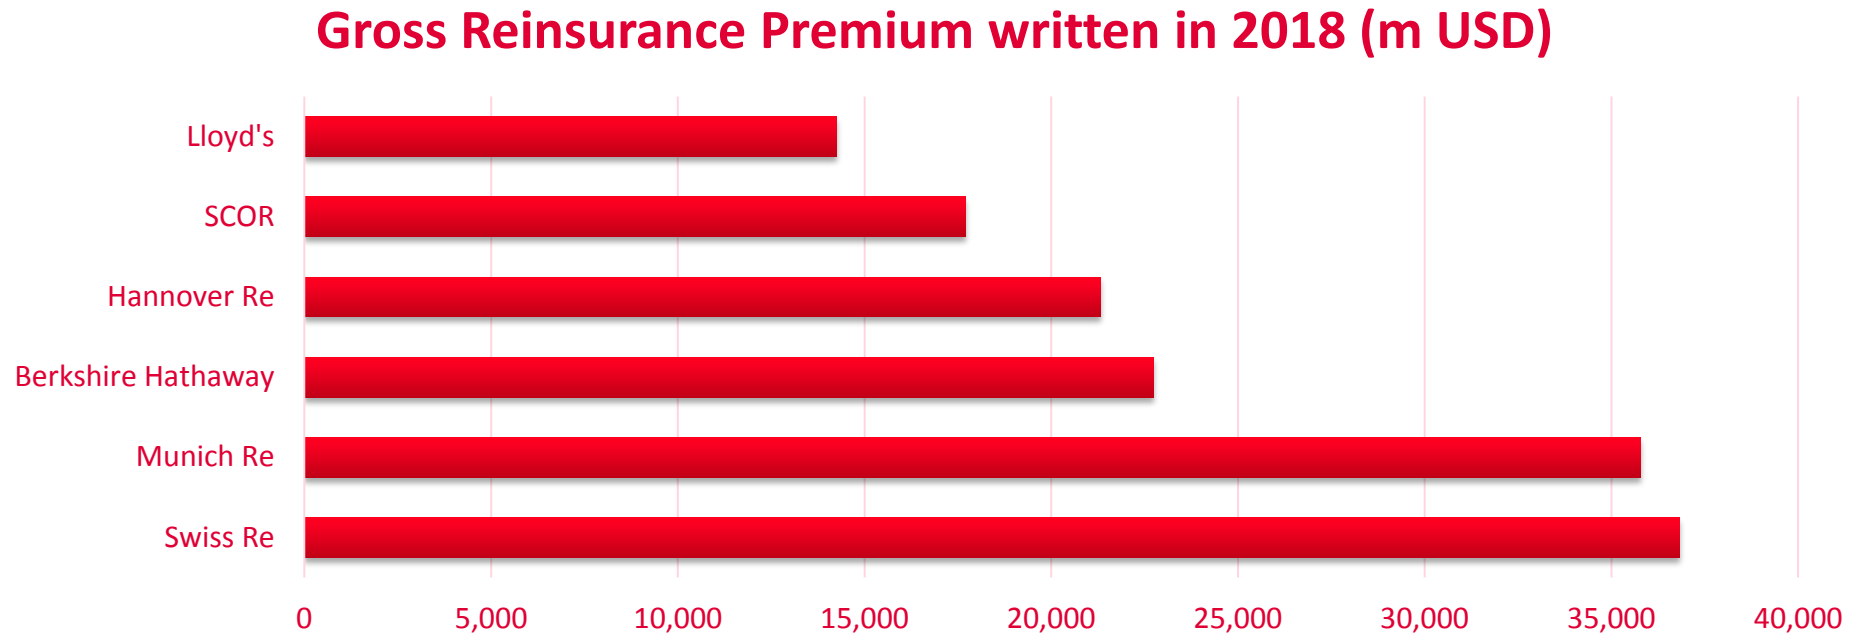

- **Reinsurance** division offers traditional (as well particular) reinsurance products, and services in all business lines, both in Life and P&C
- **Corporate Solutions** offers insurance coverages to medium and large corporates
- **Life Capital** manages life insurance portfolios, both active and in run-off

Moreover, the Group supports public sector through the **Global Partnerships** unit, to increase the penetration of its products in the World.

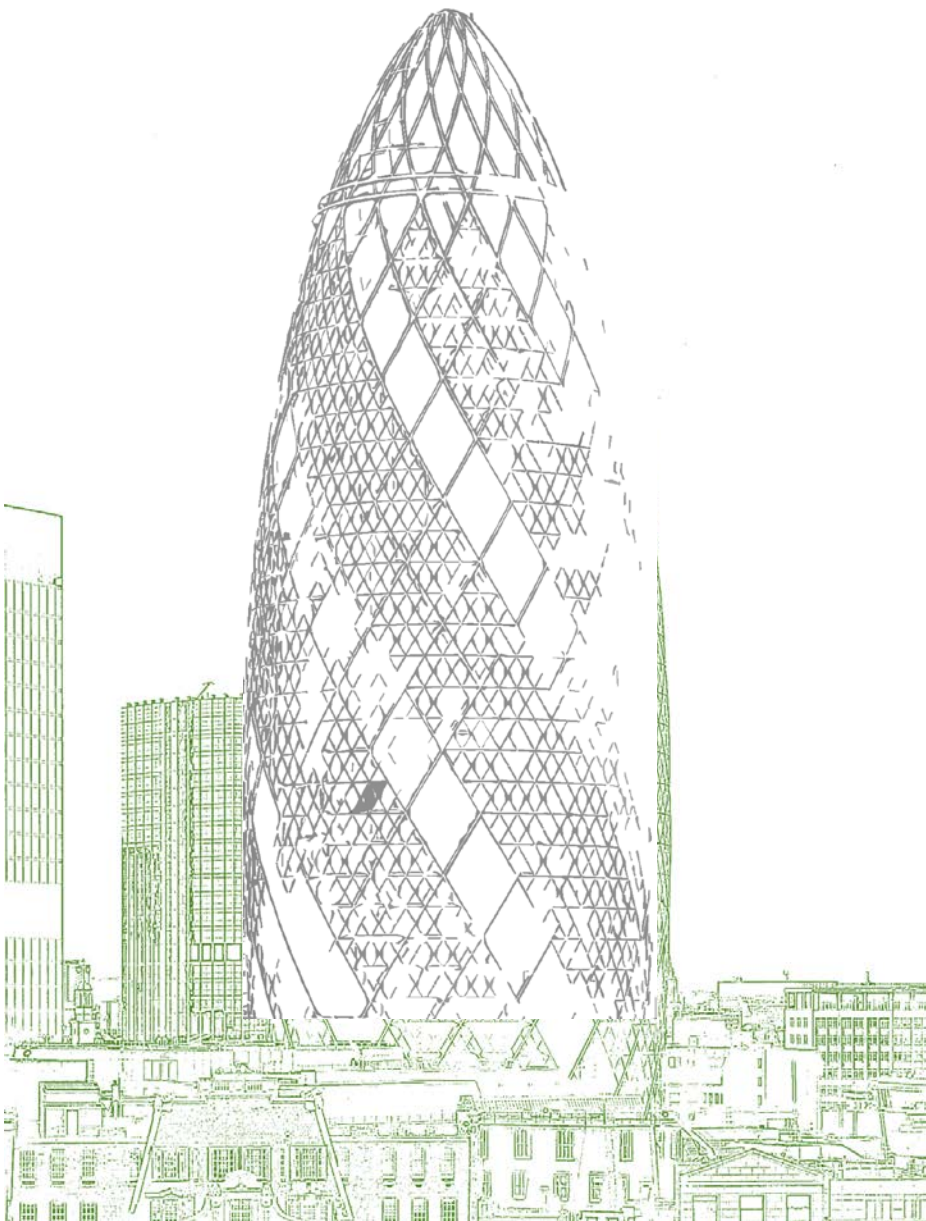

OUR MISSION: Together, we apply fresh perspectives, knowledge and capital to anticipate and manage risk. That's how we create smarter solutions for our clients, helping the world rebuild, renew, and move forward.

World's top reinsurance companies
