For a more detailed schedule, including the placement and duration of individual talks inside each session, please see the online timetable at <https://agenda.infn.it/event/19163/timetable/#20191017>.

Upload your slides

The slides are presented using a Windows 10 computer connected to the projector. **Presentations should be uploaded to the GRASS website at least one day before the conference** (login with your indico account, go to "contribution list", find your contribution and click on its name; then click on the little pen next to "presentation material", at the end of the page). In case of problems, you can handle your presentation via USB key to the organizers on the day of the conference, and in any case **not later than the last break before your talk is scheduled**. Please allow for extra time if you want to test your presentation. Should you have special requirements for the presentation, including the necessity of using your own computer, please contact any of the organizers as soon as possible.

Stay connected

WiFi access is provided through *PADOVAweb*, the public open wireless network of the City of Padova. No registration is necessary.

More info available at

<http://www.padovanet.it/sites/default/files/attachment/Istruzioni-connesione-Wifi.html>.

Enrich your cultural knowledge (and your soul with it)

Thursday evening we have the pleasure to invite our guests to a guided tour of the world renowned *Cappella degli Scrovegni*. We will meet in front of Palazzo Moroni (the venue of the conference) at 17:30 and walk to the Cappella together with our guides. We will enter the cappella in groups of 15 people, staggered by 15 minutes. Each group's visit will last a total of 45 minute. The cost is included in your registration fee. Remember to keep your ticket after the visit: should you be interested in, it can still be used to visit Museo degli Eremitani and Palazzo Zuckermann.

Join the feast

Thursday night at 20:30 we will have a social dinner at restaurant *Kofler Kafé* (address: Piazza dei Signori 21, Padova), in downtown Padova at a very short distance from the conference venue.

The cost of the event is 45 euros per person, to be paid directly at the registration desk; please consider that we can only accept cash and that you should bring the exact amount as no change will be available.

Publish your work

Each speaker of the conference will be given the possibility to submit a paper to be included in the proceedings of the conference, which will be published online using the Zenodo platform. **The deadline to submit your contribution is November 30th, 2019.**

Details and a reminder will be sent by e-mail to all contributors after the symposium.
