

SuperB Physics Workshop

Wednesday, 2 December 2009

Parallel V - TAU (14:30 - 16:00)

time	[id] title	presenter
14:30	[22] How SuperB can probe R -parity violation through τ and B meson decays	BEN O'LEARY
15:00	[21] Discussion on CP violation in Hadronic tau decays	OSCAR VIVES
