

QCD@Work - International Workshop on QCD - Theory and Experiment

Monday, 27 June 2022

Session 1 - Auditorium (09:30 - 10:50)

-Conveners: Giuseppe Eugenio Bruno

time	[id] title	presenter
09:30	[66] Neutron star mergers as materials science	ALFORD, Mark
10:00	[67] A journey through experimental highlights on heavy-ion physics	CALIVÀ, Alberto
10:30	[59] Topology role in the feasibility of a neutron star's matter phase candidate	DE LA INCERA, Vivian
