

## **Session Program**

**Jun 27 - 30, 2022**

# **QCD@Work - International Workshop on QCD - Theory and Experiment**

## ***Session 1***

Auditorium del Museo Provinciale "Sigismondo Castromediano" - Lecce (Italy), Auditorium  
viale Gallipoli 28

# Mon, June 27

9:30 AM

## Session 1

**Session** |

**Location:** Auditorium del Museo Provinciale "Sigismondo Castromediano" - Lecce (Italy), Auditorium, viale Gallipoli

**Convener:** Giuseppe Eugenio Bruno

9:30 - 10:00 AM

### Neutron star mergers as materials science

**Speaker**

Mark Alford

10:00 - 10:30 AM

### A journey through experimental highlights on heavy-ion physics

**Speaker**

Alberto Calivà

10:30 - 10:50 AM

### Topology role in the feasibility of a neutron star's matter phase candidate

**Speaker**

Vivian de la Incera

10:50 AM
