

QCD@Work - International Workshop on QCD - Theory and Experiment

Tuesday, 28 June 2022

Session 7 - Auditorium (15:00 - 16:00)

-Conveners: Donato Maria Creanza

time	[id] title	presenter
15:00	[86] Constraining heavy-flavour PDFs at hadron colliders	GUZZI, Marco
15:20	[88] Charming hadronization measurements with the ALICE experiment	GIACALONE, Marco
15:40	[87] High pT results and parton density functions from ATLAS	LLORENTE MERINO, Javier
