

Second Rome Physics Encounters @LNF

Thursday, 28 November 2019

Young scientists series: Rome Physics Encounters (11:00 - 12:45)

time	[id] title	presenter
11:00	[3] Sub-GeV Dark Matter in Superfluid He-4: an Effective Theory Approach	ACANFORA (ROMA TRE), Francesca
11:30	[4] Post-inflationary Production of Light Dark Sectors	GHOSHAL (ROMA TRE), Anish
12:00	[5] Axion-Like particle as Light Dark Matter Portal	Dr GIACCHINO (LNF), Frederica
