

News and communications: use of fundings

This project has received fundings under the European Research Council (ERC) grant agreement No 818744

Whenever you present a talk or a poster using ERC fundings for the travel, you **must put these three signs on the slides/poster, otherwise the funds used can not justified (i.e. rendicontati)**

News and communications: status and plans with prototypes

- LEMON tests to be done by the end of this week (see E. Di Marco report)
- MANGO tests starting on Monday for 2 weeks
- MANGO will test also two new camera we borrowed (Princeton Instruments on the 27th November + Orca Fusion with CoaXPress DAQ from 25th November to the 2nd December)
