

## Second Gravi-Gamma Workshop

Contribution ID: 7

Type: **Invited**

# The Science Case for the Einstein Telescope

*Friday, 25 June 2021 17:15 (25 minutes)*

I will give a broad overview of the scientific targets of the Einstein Telescope in astrophysics, cosmology, and fundamental physics

### **Email**

michele.maggiore@unige.ch

**Primary author:** MAGGIORE, Michele (Geneva University)

**Presenter:** MAGGIORE, Michele (Geneva University)

**Session Classification:** Multi-messenger science potential with future detectors and requirements for the future network for an optimal science exploitation
