

IV Geant4 International User Conference at the physics-medicine-biology
frontier

Contribution ID: 36

Type: **not specified**

Validation of Geant4 fragmentation models in 4He ion therapy

Monday, October 24, 2022 6:18 PM (12 minutes)

Topic

Hadron Therapy

Primary authors: BOLST, David (University of Wollongong); GUATELLI, Susanna (Centre For Medical Radiation Physics, University of Wollongong)

Presenter: BOLST, David (University of Wollongong)

Session Classification: Geant4 for Protons and Hadrons Radiotherapy 2
