

IV Geant4 International User Conference at the physics-medicine-biology frontier

Contribution ID: 82

Type: **not specified**

Systematic uncertainty budget for a novel diamond microdosimeter

Wednesday, 26 October 2022 11:21 (12 minutes)

Topic

Detector Development

Primary authors: ROMANO, Francesco (INFN - Catania Section); Prof. SCHETTINO, Giuseppe (University of Surrey); MAGINI, Jacopo (University of Surrey)

Co-author: GUATELLI, Susanna (Centre For Medical Radiation Physics, University of Wollongong)

Presenter: MAGINI, Jacopo (University of Surrey)

Session Classification: Geant4 for microdosimetry
