

1/f Noise from Condensed Matter Physics to Quantum Technologies

Monday, April 25, 2022

A. Balandin: Low-frequency 1/f noise in graphene and other 2D materials and devices (9:00 AM - 11:00 AM)

Tuesday, April 26, 2022

A. Balandin: Low-frequency 1/f noise in graphene and other 2D materials and devices (3:00 PM - 4:00 PM)
