

# **1/f Noise from Condensed Matter Physics to Quantum Technologies**

**Monday, 25 April 2022**

**A. Balandin: Low-frequency 1/f noise in graphene and other 2D materials and devices (09:00 - 11:00)**

# Tuesday, 26 April 2022

**A. Balandin: Low-frequency 1/f noise in graphene and other 2D materials and devices (15:00 - 16:00)**
