

# **1/f Noise from Condensed Matter Physics to Quantum Technologies**

**Tuesday, April 26, 2022**

**J. Koch: 1/f noise and other noise channels in superconducting qubits: modeling and simulation (9:00 AM - 11:00 AM)**

# Wednesday, April 27, 2022

**J. Koch: 1/f noise and other noise channels in superconducting qubits: modeling and simulation (3:00 PM - 4:00 PM)**
