

Terzo incontro di fisica con ioni pesanti alle alte energie

Thursday, 25 November 2021

Future prospects: technologies and computing - Auditorium (17:30 - 19:00)

-Conveners: Stefania Beole'; Gianluca Usai; Federico Ronchetti; Stefano Piano

time	[id] title	presenter
17:30	[29] Recent developments of CMOS pixel sensors and their applications to high energy physics experiments	DA ROCHA ROLO, Manuel Dionisio
18:00	[30] Machine and Deep Learning applications in High-Energy Physics	LEGGER, Federica
18:30	[31] Silicon based sensors for Time-Of-Flight measurement	PANCHERI, Lucio
