Parallel 12: Chiral symmetry - Room6 (16:40 - 18:00)

time	[id] title	presenter
16:40	[25] Renormalization of minimally doubled fermions	CAPITANI, Stefano
17:00	[82] Pairs of massless quarks on the lattice from staggered fermions	ADAMS, David
17:20	[299] Numerical properties of overlap staggered fermions	DE FORCRAND, Philippe
17:40	[255] Staggered chiral perturbation theory in the two-flavor case	DU, Xining
