

# NuSym22, X International Symposium on Nuclear Symmetry Energy

## Monday, 26 September 2022

### Constraints from heavy ion collisions (Fermi energies) (II) - Aula Magna (15:15 - 16:15)

-Conveners: Sherry Yennello

time	[id] title	presenter
15:15	[62] Experimental study of the $40,48\text{Ca} + 40,48\text{Ca}$ reactions at 35 MeV/nucleon	FABLE , Q.
15:45	[64] Symmetry Energy in intermediate energy heavy-ion collisions:recent results from the INDRA-FAZIA apparatus	CIAMPI, C.
