

NuSym22, X International Symposium on Nuclear Symmetry Energy

Tuesday, 27 September 2022

Constraints from heavy ion collisions (III) - Aula Migneco (14:30 - 16:10)

-Conveners: Giuseppe Verde

time	[id] title	presenter
14:30	[79] Observing the ping-pong modality of the isospin degree of freedom in cluster emission from heavy-ion collisions	XIAO, Z.
