

# NuSym22, X International Symposium on Nuclear Symmetry Energy

## Thursday, 29 September 2022

**EoS and astrophysical constraints (III) - Aula Magna (16:40 - 17:40)**

-Conveners: Hermann Wolter

time	[id] title	presenter
16:40	[98] Physics from coherent neutrino-nucleus elastic scattering	SCHOLBERG, Kate
17:10	[99] Gravitational Laboratories for Nuclear Physics:Prospects for BNS Observations and their Impact on the EoS	ESSICK, R.
