

**7th International Conference on Collective Motion in Nuclei
under Extreme Conditions**
<https://agenda.infn.it/event/21964/>

Final Circular

The 7th International Conference on Collective Motion in Nuclei under Extreme Conditions (COMEX7) will be held in Catania, Italy at the Dipartimento di Fisica e Astronomia “Ettore Majorana” of Catania University, from June 11, 2023 (Sunday) to June 16, 2023 (Friday).

CONFERENCE VENUE AND HOW TO REACH IT

The conference will be held at the “Aula Magna” of the Physics and Astronomy Department “Ettore Majorana” of Catania University, which is located inside the campus of the “Cittadella Universitaria”. It can be easily reached by public transportation from downtown Catania.

A bus service has been organised from downtown to the Conference site in the morning and from the Conference site to downtown in the afternoon. The exact starting point of the buses is in Piazza della Repubblica (see [map](#)) which can be easily reached from Piazza Stesicoro. The buses can be identified by the conference logo on the front window and they will leave at 7:45 am on Monday 12th June.

For the ones who want to use the public transportation detailed instructions can be found on the conference web page.

SCIENTIFIC PROGRAM

The timetable is available on the website of the conference. As well, a pdf version of the **book of abstract** will be soon accessible.

SOCIAL PROGRAM

Welcome Party: Conference participants are invited to attend a Welcome Cocktail at the **Museo Diocesano** in Piazza Duomo (via Etnea 8) from 19:00 to 21:30 on Sunday 11th June.

Social Dinner: The Conference dinner will be held on Thursday 15th June at the **Hotel Nettuno** located on the sea shore but still in town. A shuttle bus will be organised to reach the venue.

The Fininvest Congressi, the Agency that is helping us in the administration of the conference, is organising a High Altitude Excursion on the Etna volcano (for details see [this](#)). There are still some places available and the participants of the conference interested on that should contact the Fininvest before Thursday 8th June.

ORAL PRESENTATION

As one can see from the timetable, 30 minutes (25 minutes + 5 minutes for questions) are allotted to the invited talk. The oral contributions will be of 20 (15+5) and 15 (12+3) minutes. Speakers are asked to prepare their presentation in time to be transferred to the conference desk.

POSTER

The posters will be displayed during the whole conference. Poster should have the A0 portrait format (841x1189 mm).

Participants will have the opportunity to present their poster content with a short oral talk (5 minutes) during a dedicated session.

PROCEEDINGS

The Proceeding of the Conference will be published only on line by the *Società Italiana di Fisica*. Complete informations will be given in due time.

For more details please consult the conference web page (<https://agenda.infn.it/event/21964/>). If you need further assistance do not hesitate to contact us at comex7@ct.infn.it.
