

7th International Conference on Collective Motion in Nuclei under Extreme
Conditions (COMEX7)

Contribution ID: 208

Type: Invited talk (30 m)

**Status of DFT calculations for collective states and
application to the monopole resonances**

Monday, 12 June 2023 10:00 (30 minutes)

Primary author: COLÒ, Gianluca

Presenter: COLÒ, Gianluca

Session Classification: Session 1
