

7th International Conference on Collective Motion in Nuclei under Extreme Conditions (COMEX7)

Contribution ID: 219

Type: Short oral contribution (15 Min)

Mirror energy differences as a probe for cross-shell excitations in ^{43}Sc - ^{43}Ti mirror pair

Monday, 12 June 2023 17:05 (15 minutes)

Presenter: REZYNKINA, Kseniia (Istituto Nazionale di Fisica Nucleare)

Session Classification: Session 4
