

7th International Conference on Collective Motion in Nuclei under Extreme Conditions (COMEX7)

Contribution ID: 269

Type: not specified

## Density dependence of pairing functionals for the rotational excitation in neutron-rich nuclei

*Friday, 16 June 2023 14:40 (30 minutes)*

**Presenter:** YOSHIDA, Kenichi (RCNP, Osaka University)

**Session Classification:** Session 17
