

7th International Conference on Collective Motion in Nuclei under Extreme Conditions (COMEX7)

martedì 13 giugno 2023

Session 7 - Aula Magna (14:45 - 16:25)

-Coordinatori: Andreas Zilges

time	[id] title	presenter
14:45	[229] Indirect methods: a bridge between nuclei and stars	LA COGNATA, Marco
15:15	[230] Nuclear structure constraints on nucleosynthesis	FERREIRA, Lidia
15:35	[231] $^{12}\text{C}+^{12}\text{C}$ molecular resonances to enhance $^{12}\text{C}+^{12}\text{C}$ fusion reaction	TANIGUCHI, Yasutaka
15:55	[232] From precision nuclear structure information to constraining statistical properties - methodical developments in photonuclear reactions	SAVRAN, Deniz
