

Session Program

Oct 4 - 9, 2020

The poster for the IX International Geant4 School features a central image of a city street with a large dome in the background. The text is arranged around this image. At the top, a blue banner reads 'IX International Geant4 School'. Below this, the host institution is listed: 'Istituto Nazionale di Fisica Nucleare, Laboratori Nazionali del Sud, Catania, Italy'. On the left, a vertical orange bar contains the dates 'October 5 - 9, 2020'. To the right of the image, the 'ORGANIZERS' list includes G.A. Pablo Cirrone, Giacomo Cudone, Luciano Pandola, Gladis Patrignia, and Gaetano Agnelli. Logos for INFN and Geant4 are also present. The 'TOPICS' section describes the course content: 'Basic overview on the main aspects of the Geant4 Monte Carlo toolkit', 'Lectures on the Geant4 code complemented by hands-on practical sessions', and 'Basic course on C++'. A note states 'A maximum of 30 participants will be admitted' and 'Up to 10 Master Students will be admitted for free'. It also mentions that the school is recognized by the Department of Physics and Astronomy 'Ettore Majorana' of Catania University as 3 CFU for PhD students and 2 CFU for Master Degree Students. Social media links for Facebook and LinkedIn are provided at the bottom.
