

Working Group on Radiative Corrections and Generators for Low Energy
Hadronic Cross Section and Luminosity

Contribution ID: 4

Type: **not specified**

**Processes 2\to 4 in e+e- annihilation and the details
of generator construction**

Monday, 19 April 2010 15:40 (30 minutes)

Primary author: KURAEV, Eduard (JINR Dubna)

Presenter: KURAEV, Eduard (JINR Dubna)

Session Classification: MonteCarlo for R Measurements with energy scan
