Inclusive Measurements of $B \rightarrow X_c \ell \nu$ and $B \rightarrow X_s \gamma$ Decays

Monday, 11 October 2010 18:00 (25 minutes)

We will report on the status of the measurement and interpretation of moments in $B \rightarrow X_c \ell \nu$ decays. We will also report on recent results from BaBar and Belle on radiative penguin decays of B mesons in $B \rightarrow X_s \gamma$.
