

# Heavy Quarks & Leptons

## Thursday, 14 October 2010

**Lepton Flavor Violation - Auditorium B. Touschek - Chair: Giancarlo Piredda (09:30 - 11:15)**

time	[id] title	presenter
09:30	[92] LFV: Where are we ?	PARADISI, Paride
10:00	[97] New cLFV search experiments using the mu-e conversion process	MIHARA, Satoshi
10:30	[93] Search for Lepton-Flavor-Violating tau decays at the B factories	LUSIANI, Alberto
10:55	[52] Search for lepton flavor violating muon decay: latest result from MEG	UCHIYAMA, Yusuke
