

Second European Physical Society Conference on Gravitation: measuring gravity

Tuesday, 6 July 2021

Fundamental Tests and Equivalence Principle (09:30 - 10:30)

-Conveners: David Wands (chair)

| time | [id] title | presenter |
|-------|-------------------------------------------------------------|--------------------|
| 09:30 | [55] Space clock and fundamental tests. the ACES experiment | CACCIAPUOTI, Luigi |
| 10:00 | [53] Testing fundamentally semiclassical gravity | GROSSARDT, Andre |

Fundamental Tests and Equivalence Principle (11:00 - 12:30)

-Conveners: Renate Loll (chair)

| time | [id] title | presenter |
|-------|-------------------------------------------------------------------------------------------------|--------------------------|
| 11:00 | [57] Testing Gravity with Atoms | TINO, Guglielmo |
| 11:30 | [19] Testing the equivalence principle in space with MICROSCOPE: countdown to the final results | RODRIGUES, Manuel |
| 12:00 | [68] Antimatter, Gravity and Fundamental Test | GIAMMARCHI, Marco Giulio |
